agency, the faculty and the Union on behalf of the faculty waive the right to file a grievance under this contract. If already filed, the grievance shall be dismissed.

4.6—Drug-Free Workplace

Faculty members may engage in employment outside of the College provided that notice of such employment is provided to the College in advance when possible, but in no event later than ten (10) business days. The College President will establish administrative procedures to ensure that such outside employment does not conflict with or does not reduce the capability to perform required functions as faculty of Eastern Florida State College. In the event a conflict between employment with the College and outside employment does occur, the employment at Eastern Florida State College will be considered primary.

- 663 3. For a library faculty position, the Administration will select faculty members to serve on
664 the screening committee from the library faculty.
- 665 4. For a counseling faculty position, the Administration will select faculty members to
666 serve on the screening committee from the counseling faculty.
- 667 5. In the event sufficient numbers of full-time, tenured faculty members are not available,

The College recognizes the importance of conferring with faculty in the transfer of full-time faculty members.
- B. Faculty members will be assigned to a campus location: Titusville, Cocoa, Melbourne, Palm Bay, or any established center/institute. When a new faculty position or vacancy appears at any such location and the College President intends to fill it, the faculty position will be filled by the Administration in accordance with the following guidelines:
1. Email notification of the position shall be sent to all full-time faculty members, it will be advertised in a College publication with College-wide distribution. - 708 2. To request a transfer to a new or vacant full-time faculty position within the faculty
709 member's discipline or from one discipline to another, a qualified full-time tenured
710 faculty member shall submit a request for transfer to both the faculty member's
711 immediate Supervising Administrator and the Associate Vice President of Human

726 the requesting faculty member of the decision in writing within ten (10)

728 Administrator. If the transfer request is denied, a written explanation shall be
729 provided with the notice.
- 730 C. If the Administration determines that it is necessary to transfer a member, the Administration
731 will first request qualified volunteers.
- 732 D. For a new or vacant full-time faculty position that is different from the faculty member's current
733 discipline, a tenured faculty member requesting a transfer must meet the minimum
734 qualifications for teaching in the new discipline and the application deadline date for applying as
735 printed on the job posting on the College's Web site announcement.
- 736 E. When transferring from one discipline to another where there is no change in campus or
737 division, the Supervising Administrator with responsibility for the academic discipline being
738 sought will retain the sole right to approve or reject the transfer request.

F. If a faculty member requests and is granted a transfer under this Section, the faculty member will not be eligible to request a transfer again for three years from the date of the transfer request.

G. Any faculty member selected for transfer must meet the educational requirements for the position.

H. Reassignments for a single semester within a single contract year are considered temporary. Reassignment for more than one semester in a single contract year is considered an involuntary transfer.

I. A tenured faculty member involuntarily transferred retains the right to apply for any subsequent vacancies as outlined in this article.

J. If it is necessary to select a unit member for involuntary transfer, the Vice President of Academic Affairs will assign transfer points to all unit members in the same discipline who are qualified to fill the open position. The total points accrued will be considered by the Vice President of Academic Affairs in making its selection, with the unit member having the lowest number of points being the most vulnerable for involuntary transfer. Should the Vice President of Academic Affairs select a unit member for transfer who has a point total greater than another qualified faculty member who is not being transferred, the College President will state the reason for the selection in writing to the faculty member being transferred. A copy will be furnished to the President of the UFF/Brevard.

- 785 A. The College will maintain two Councils consisting of faculty and representatives from the
- 786 Administration, who may be Administrators or staff members, as appropriate, to review and/or
- 787 prepare recommendations for the College President or designee.
- 788 1. Administrators and staff members will not be voting members of the Academic Affairs
- 789 Council (AAC) or the Tenure and Professional Development Council (TPDC).
- 790 2. The Councils may establish committees or subgroups as needed to accomplish the
- 791 purposes of the Councils. The Councils will present these recommendations to the
- 792 College President through established means.
- 793 3. The operations of each Council, including number, membership distribution, and length
- 794 and terms of service, will be established in a handbook.
- 795 4. Substantive changes to AAC/TPDC Handbook content may only be made under the
- 796 following conditions:
- 797 a. AAC or TPDC approval.
- 798 b. UFF-Brevard EC review and approval.
- 799 c. Administration will be notified of all changes.

B. The AAC will be comprised and operate as follows:

1. All voting members of the AAC will be faculty, one member plus one alternate recommended by each Curriculum Cluster.
2. Non-tenured faculty members will be recommended by the Curriculum Cluster, if there are not sufficient tenured faculty members available to serve.
3. The chair of this Council will be a tenured faculty member. The chair will be granted thirty (30) points release/reassignment time from instructional duties for each major academic term. If the chair remains equally active during the Summer Term, the chair will receive thirty (30) points at the established adjunct rate for those duties. Additional release/reassignment time may be granted to officers of the AAC as the need arises.
4. The College and UFF-Brevard will mutually develop goals for the AAC.

C. The TPDC and standing committees will be comprised and operate as follows:

1. All voting members of the TPDC and Campus Tenure Committees will be full-time, tenured faculty.
2. The chair of the College-wide TPDC will be granted thirty (30) points release/reassignment time from instructional duties for each major academic term during which the TPDC is meeting regularly.
3. The College and UFF-Brevard will mutually develop goals for the TPDC.
4. The TPDC members shall be selected as outlined in the Handbook.

D. Faculty will participate as voting members of the following committees:

Insurance
Academic Calendar (as defined in article 18.1)
College-wide Quality Enhancement Plan (QEP)

6.17—Legal Assistance

Legal assistance shall be provided to a faculty member when the College President or his designee determines, after investigation, that action taken by the faculty member was justifiable and occurred in the course of his employment. The specifics of such assistance will be determined by the College President.

829 **6.18—Union Representation (Weingarten Rights)**

830 A faculty member who is a member of the Union and who has the reasonable expectation that
831 disciplinary action may result from a meeting with an administrator has the right to Union
832 representation during the meeting. The decision whether to represent or accompany a faculty member
833 who is not a member of the Union rests solely with the Union.

834 **6.19—Retired Faculty Members**

835 A retired faculty member shall have privileges to use the College's facilities such as athletic facilities and
836 equipment and library facilities (access to materials and electronic resources, checkout materials).
837 Retired faculty members shall retain discounts for events at College-affiliated organizations as afforded
838 to current faculty members and subject to agreements with College-affiliated organizations. Retired
839 faculty members shall retain their e-mail account and e-mail access for a period of one (1) year after
840 separation. All benefits as above are subject to and consistent with the policies applicable to regular,
841 full-time faculty members.

ARTICLE 7: MANAGEMENT RIGHTS AND PREROGATIVES

7.1—Management Rights

The Employer expressly reserves and retains, to the maximum extent permitted by law, each and every right and prerogative that it has ever had and enjoyed at any time and in the absence of any collective bargaining relationship whatsoever, whether such rights and prerogatives have ever been exercised or not, and as if the collective bargaining relationship did not in fact exist, except to the limited extent that it has herein and by words of unmistakable meaning and clear import, agreed to expressed and explicit limitations upon those rights and privileges.

7.2—Subsequent Bargaining

The reservation or retention of management rights or prerogatives, as done in Section 1 above, refers to the right to implement any decision coming within that reservation or retention, without prior bargaining over the impact or effects of such decision upon unit faculty. Bargaining shall subsequently take place upon the request of either party.

7.3—Normal Employer Rights

While it is not possible to anticipate or detail in this Agreement all of the rights and prerogatives that the Employer retains and reserves, the following list is illustrative. The Employer exclusively retains and reserves the rights to: exercise all rights normally exercised by employers and not expressly limited herein; select faculty for hire; determine staffing requirements; schedule work; determine the duties required of faculty; subcontract all or a part of its work or functions; transfer, lay off, recall, determine the nature and extent of services that are to be performed; regulate the use of equipment and facilities; make and enforce reasonable work rules; discontinue programs; and take such measures as management may consider to be reasonably necessary to the orderly, efficient and economical operation of the College except as may be in conflict with any provisions of this Agreement or handbook which may be incorporated into this agreement by reference.

866 **7.4—College-Wide Scheduling**

867 It is the responsibility of the Administration to establish a College-wide course schedule which prioritizes
868 times and locations, and/or instructional formats which meet the needs of the students on each
869 campus.

ARTICLE 8: FACULTY DUTIES AND RESPONSIBILITIES

8.1—Intent

The professional duties and responsibilities of College faculty members are comprised of scheduled as well as non-scheduled activities. The Administration and the UFF-Brevard recognize that while instructional activities, office hours, and related other duties and responsibilities may be required to be performed at specific times and places, other activities may be arranged and performed at times and places determined by the faculty member at his discretion, provided that such arrangements do not conflict with College policies and procedures.

8.2—Faculty Contract Length

The basic academic-year contract for full-time faculty members is defined as follows: 160 days of class sessions, final examinations, and office time, plus a maximum of four (4) in-service/administrative days, plus one (1) day for attendance and participation in one Commencement ceremony. The total number of contract days during the basic academic-year contract (excluding state-approved holidays) shall not exceed 165 days per year.

A. Except as provided elsewhere in this section, or in the case of academic programs or services which require the duties and responsibilities of faculty members during summer sessions, all full-time faculty members will be awarded a Basic Academic-Year Contract with an average teaching load requirement of 150-points per term for a total of 300-points per academic year.

1. By the end of the spring term, the administration will notify each faculty member on annual contract concerning the renewal and duration of his employment contract for the following academic year, beginning with the fall term. Each notice will specify whether the duration of the contract will be a Basic Academic-Year (165-day) Contract, or an Extended-Year Contract as defined elsewhere in this section.

2. By April 1, the administration will notify each tenured faculty member concerning the duration of his employment contract for the following academic year, beginning with the fall term. Each notice will specify whether the duration of the contract will be a Basic Academic-Year (165-day) Contract, or an Extended-Year Contract as defined elsewhere in this section.

- 898 3. The notice date for faculty seeking tenure shall be consistent with Article 11.1.C.
- 899 4. Salaries of all faculty members will be based upon the Basic Academic-Year Contract
- 900 with any additional approved workdays to be pro-rated at the daily rate of pay.
- 901 B. Instructional faculty in specific health related programs and other academic programs which
- 902 require the duties and responsibilities of full-time faculty members may receive an Extended-
- 903 Year Contract if their work assignment is expected to exceed 165 days. This will be
- 904 administratively determined by the end of the spring term each year. All library faculty members
- 905 will receive an Extended-Year Contract of at least 189-days to provide adequate professional
- 906 staffing. Counselors whose services are required in excess of 165 workdays per year may be
- 907 issued an Extended-Year Contract by the administration in order to ensure adequate
- 908 professional staffing. This will be administratively determined by the end of the spring term
- 909 each year.
- 910 1. The duration of the Extended-Year Contract will be based upon the Basic Academic-Year
- 911 contract with the addition of term responsibilities necessitated by the length of the
- 912 particular academic program, service, or project.
- 913 2. The determination of such duty days will be made by the Supervising Administrator in
- 914 consultation with the individual faculty member.
- 915 3. The salary for an Extended-Year Contract will be calculated by pro-rating the Basic
- 916 Academic-Year Contract as follows: the daily-rate of pay will be calculated by dividing
- 917 the faculty member's annual salary for a Basic Academic-Year Contract by 165; and the
- 918 resulting daily pay rate will be multiplied by the number of days, thereby yielding the
- 919 revised salary for the Extended-Year Contract.
- 920 C. Upon the approval of the administration, a faculty member may be awarded an Extended Year
- 921 Contract when assigned to temporary duties involving primarily non-instructional
- 922 responsibilities.
- 923 1. An Extended Year Contract may be awarded for such activities as regional accreditation
- 924 or reaffirmation, special task-force projects or assignments, or similar activities that may
- 925 warrant or require the year-round responsibilities of a full-time faculty member.
- 926 2. An Extended Year Contract will not be awarded to full-time faculty members for the
- 927 performance of full-time administrative duties and responsibilities.

- 928 3. The salary for an Extended Year Contract will be calculated by pro-rating the Basic
929 Academic-Year Contract as follows: the daily-rate of pay will be calculated by dividing
930 the faculty member's annual salary for a Basic Academic-Year Contract by 165; and the
931 resulting daily pay rate will be multiplied by the number of days, thereby yielding the
932 revised salary for the Extended Year Contract.

933 **8.3—Faculty Responsibilities**

934 **Instructional Faculty Workload and Responsibilities**

935 Each term will consist of an average of eighty (80) potential class and examination days during a period
936 of time not to exceed sixteen (16) weeks in duration, or a total of not more than 165 scheduled class
937 days over two semesters. Each faculty member's workweek will not exceed thirty-five (35) hours and
938 five (5) consecutive calendar days, unless waived by the individual faculty member.

939 **Priority for Scheduling Assignments**

940 The college will establish a college-wide course schedule which meets the needs of students. DCs, PMs,
941 and PCs will work with faculty to fill scheduling requirements and establish individual faculty schedules
942 which meet the needs of the students. Faculty will work together to meet the needs of the students.

- 943 A. Full-time faculty will be given preference over all part-time faculty for scheduling needs.
944 B. If a conflict within a department arises, the Supervising Administrator will determine the faculty
945 members' schedules.
946 C. Nothing in this article limits the Administration's right to assignment as defined in Article 7.

947 **Office Hours**

- 948 A. Office hours denote regularly-scheduled time periods during which faculty members will be
949 available for one-on-one consultations with students outside of a classroom setting, to
950 provide instructional, program-related, or similar academic assistance to students on an as-
951 needed basis.
952 1. Office hours may be scheduled on-campus in the faculty member's office, in their
953 classroom, online, or at appropriate off-campus sites, as provided below. The

954 availability and location of office hours shall be provided in writing to the students
955 and supervising administrator by the end of the second week of classes.

- 956 2. Each faculty member shall publish and maintain a total of ten (10) office hours per
957 week during the Basic Academic Year.

958 a. At least five (5) of these office hours must be scheduled in minimum
959 increments of thirty (30) consecutive minutes over a period of not less than
960 four (4) workdays.

961 b. The remaining office hours may be scheduled in increments of no fewer
962 than ten (10) minutes each, at the discretion of the individual faculty
963 member. If these office hours are completed in the classroom, the faculty
964 member must be assigned to the classroom immediately before and after.

- 965 3. All faculty members may schedule a maximum five hours of office time online.

966 a. Additionally, instructors who teach distance learning courses will be
967 permitted to replace (1) one office hour for each thirty (30) load points as
968 part of their required ten (10).

969 b. In the event that the instructional load is comprised entirely of online
970 courses, the faculty member may account for all scheduled hours online.

971 This does not preclude the faculty member from meeting with the student if
972 either the student or faculty member so desire.

- 973 4. Faculty members whose instructional assignments include Health Sciences and
974 Public Safety courses for which clinical or field experience is required of
975 participating students, will be permitted to schedule a maximum 50% of their
976 required office hours at the clinical/field site, in addition to their required clinical-
977 instruction hours.

- 978 5. Faculty in PSAV programs interact extensively with students during course time and
979 may schedule a maximum of 50% of their required office hours during the class
980 week.

- 981 6. If the location of scheduled face-to-face office hours is to be at any place other than
982 the faculty member's office or other on-campus location, the faculty member and
983 the immediate supervising administrator will mutually agree upon a location.

- 984 7. Each faculty member will be available by appointment for one (1) additional office
985 hour for each thirty (30) overload-points or major part thereof. If no appointment
986 requests are made, the faculty member will be under no obligation to provide such
987 additional hours.
- 988 8. If a student must schedule an appointment at a mutually agreeable time other than
989 during scheduled office hours:
- 990 a. It is expected that faculty be available upon student request for on-campus
991 appointments during regular college business hours.
- 992 b. The faculty member may post a notice to students, with a copy to the
993 supervising administrator, that the faculty member has cancelled equivalent
994 office hours during that week.
- 995 9. In emergencies or other unusual circumstances, the Provost or his/her designee
996 may approve exceptions to the published schedules of office hours for individual
997 faculty members.

998 **Instructional Faculty Responsibilities**

999 **A. Faculty are required:**

- 1000 1. To participate in scheduled departmental, discipline, and college-wide or campus or
1001 division-related activities including submission of assessment data, attendance
1002 reporting and final grades.
- 1003 2. To perform any other duties required to fulfill their instructional or programmatic
1004 obligations as delineated elsewhere in this article.
- 1005 3. Faculty members shall instruct students in conformance with the material listed in
1006 the discipline-approved course plans, and as defined by the course descriptions
1007 published in printed and/or online editions of the College catalog.
- 1008 4. Faculty members will respond within two (2) business days to requests for
1009 accommodations from Student Accessibility Services. Faculty members will not be
1010 held responsible for failure to provide such accommodations prior to the receipt of
1011 the required notice from the College office responsible for addressing ADA student
1012 compliance.

5. Faculty members are expected to make a course syllabus available to the students no later than the first day of class. In the event of a schedule change within four (4) weeks prior to the start of the class, the instructor shall post the syllabus no later than the end of the second week of classes. Syllabi are required to contain specific content as listed in Appendix Z.
6. So the faculty may have opportunity to use student feedback to continually improve teaching and student learning, and to assist the Administration with statutory compliance, faculty will encourage their students to participate in the student-opinion survey process each term.
7. At the conclusion of each academic term each faculty member will be required to review the results of any student-opinion surveys completed by students who enrolled in each course or section taught by the instructor during the pertinent academic term.
8. It is the responsibility of the Administration to assign faculty members to teach courses in their respective academic disciplines at times and locations and/or in instructional formats which meet the needs of students. Where such assignments involve synchronous instructional formats primarily, these assignments may include both day and evening classes. Evening classes which are assigned to a faculty member will be scheduled within an eight-hour period during the applicable workday, with a minimum period of twelve (12) consecutive hours separating the end of the evening class and the beginning of the faculty member's assignments on the following workday. However, a faculty member may agree to waive these requirements by sending an email to the Supervising Administrator.
9. Instructional faculty members will fulfill all other professional obligations, terms, and conditions which apply to all faculty members as delineated throughout this Article.

8.4—Library Faculty Workload and Responsibilities

Library Faculty Workload

- A. Library faculty members will account for their weekly hours as approved by their immediate supervisor, with the total number of hours not to exceed thirty-five (35) hours per week, or an average of seventy (70) hours per pay period.
1. Each workday will include a thirty (30) minute rest period which may be scheduled, at the discretion of the faculty member, in two fifteen (15) minute increments or in one thirty (30) minute period.
 2. Schedules for library faculty will allow for a reasonable degree of flexibility to attend meetings, sponsor organizations, and participate in campus or division or college-wide projects and initiatives. In order to perform such duties, the schedules of library faculty may be modified upon the approval of the administration in order to provide adequate service to students and other members of the College community. Each library faculty member's workweek will not exceed five consecutive calendar days, unless waived by the individual library faculty member.

Library Faculty Responsibilities

- A. The primary responsibilities of a library faculty are library science/information, literacy curriculum and maintaining the professional integrity of the content, collections, and services of the academic libraries. To be in compliance with the requirements of the SACSCOC and any other applicable accrediting agencies, each library faculty member must satisfy the minimum certification requirements established by these agencies. The Administration will provide the appropriate resources to enable each library faculty member to perform his responsibilities to the College.
1. Library faculty members and Supervising Administrators shall mutually determine their schedules as may be necessary to meet professional-staffing requirements, and within the provisions of Sections 8.2 and 8.3 of this Article. Unless by mutual agreement otherwise, full-time library faculty members will be accorded a minimum of eight (8) consecutive weeks of non-paid release/reassignment time.

- 1067 2. Library faculty members may be assigned to teach all or portions of a course as part
1068 of their contractual duties to the College.
- 1069 a. Courses taught by library faculty members shall be limited to information
1070 research, information technology, library skills, or similar approved
1071 contractual assignments based on academic credentials.
- 1072 b. Courses assigned to library faculty members may be for credit or non-credit,
1073 and may include seminars, workshops, or portions of College-sponsored
1074 conferences or in-service opportunities assigned by the Supervising
1075 Administrator.
- 1076 c. When teaching a course or portion of a course, either as part of their
1077 regular work assignment or as an overload assignment, library faculty
1078 members must also meet the teaching-related responsibilities of
1079 instructional faculty members as provided above in this Article.
- 1080 d. Library faculty shall be permitted a maximum of one (1) hour of preparation
1081 time for each one (1) hour of class time.
- 1082 e. Such teaching and preparation must not interfere with the scheduling of any
1083 library faculty member's other professional duties as assigned by the
1084 Supervising Administrator.
- 1085 3. The salary of library faculty members is intended as compensation for all hours
1086 worked. However, recognizing that there are unusual circumstances, such as illness,
1087 understaffing, or other times when librarians may be required to work hours
1088 beyond the normally-required thirty-five (35) hours per week to perform the
1089 faculty's job, librarians will be entitled to receive additional compensation as
1090 follows:
- 1091 a. When the library faculty member is required to work in excess of thirty-five
1092 (35) hours during the workweek assigned by the Supervising Administrator.
- 1093 b. Within a two-week pay period, flexible scheduling may be permitted in each
1094 week of the pay period, with each week not to exceed 1.5 additional full
1095 shifts (days) of work.
- 1096 c. When the librarian's Supervising Administrator approves of the extra hours
1097 worked.

- d. When approved, the additional compensation for services exceeding thirty-five (35) hours per week will equal one (1) hour of compensatory time for each hour actually worked in excess of the thirty-five-hour work week.
- e. Compensatory time must be utilized by the library faculty member to whom it is allotted; is not transferrable to any other faculty; and is not payable upon the termination of the faculty's service to the College, nor can it be utilized in conjunction or coordination with the termination of the faculty's service to the College.
- f. Professional time spent by library faculty members for the teaching of overloads, or in connection to the teaching of such overloads, is neither regarded nor construable as "extra time worked" as delineated in this Section.

4. Library faculty members are required to fulfill other professional obligations, terms, and conditions applicable to all faculty members as delineated throughout this Article.

8.5—Counselor Faculty Workload and Responsibilities

Counselor Faculty Responsibilities

- A. The primary responsibility of a counseling faculty member is to engage in activities directly related to counseling. To be in compliance with the requirements of the SACSCOC and other applicable accrediting agencies, each counseling faculty member must satisfy the minimum certification requirements established by those agencies. The Administration shall provide the necessary support services and personnel to enable each counseling faculty member to perform his responsibilities.
1. Counseling faculty members shall mutually determine their schedules as may be necessary to meet staffing requirements as determined by the Supervising Administrator and within the provisions of Sections 8.2 and 8.3 of this Article. The actual number of workdays of counseling faculty members may or may not coincide with the number of workdays required of full-time instructional faculty members. Unless by mutual agreement otherwise, full-time counseling faculty members will

1127 be accorded a minimum of eight (8) consecutive weeks of non-paid
1128 release/reassignment time, during which the library faculty member will not be
1129 assigned duties or responsibilities by the Supervising Administrator.

1130 2. Counseling faculty members may teach all or part of a course as part of their
1131 contractual duties.

1132 a. Courses assigned to counseling faculty members may be for credit or non-
1133 credit, and may include seminars, workshops, or portions of College-
1134 sponsored conferences or in-service opportunities assigned by the
1135 Supervising Administrator.

1136 b. When teaching a course or portion of a course, either as part of their
1137 regular work assignment or as an overload assignment, counseling faculty
1138 members must also meet the teaching-related responsibilities of
1139 instructional faculty members as provided above in this Article.

1140 c. Counseling faculty members shall be permitted a maximum of one (1) hour
1141 of preparation time for each one (1) hour of class time.

1142 d. Such teaching and preparation must not interfere with the scheduling of any
1143 counseling faculty member's other professional duties as assigned by the
1144 Supervising Administrator.

1145 3. The salary of counseling faculty members is intended as compensation for all hours
1146 worked. However, recognizing that there are unusual circumstances, such as
1147 sickness when covered, understaffing, or other times when counseling faculty
1148 members may be required to work hours beyond the normally-required thirty-five
1149 (35) hours per week to perform the employee's duties and responsibilities,
1150 counseling faculty members will be entitled to receive additional compensation as
1151 follows:

1152 a. When the counseling faculty member is required to work in excess of thirty-
1153 five (35) hours during the workweek assigned by the Supervising
1154 Administrator.

1155 b. When the counseling faculty member's Supervising Administrator approves
1156 of the extra hours worked.

- c. When approved, the additional compensation for services exceeding thirty-five (35) hours per week will equal one (1) hour of compensatory time for each hour actually worked in excess of the thirty-five-hour work week.
- d. Compensatory time must be utilized by the counseling faculty member to whom it is allotted, and is not transferrable to any other employee; and is not payable upon the termination of the employee's service to the College, nor can it be utilized in conjunction or coordination with the termination of the employee's service to the College.
- e. Counseling faculty members shall also fulfill other professional obligations, terms, and conditions for all full-time faculty members as delineated throughout this Article.

8.6—Additional Professional Obligations

- A. Faculty members shall be required to attend no more than four (4) in-service/administrative days per year under a Basic Academic-Year Contract and no more than six (6) in-service/administrative days under an Extended Extended-Year Contract.
- B. All full-time faculty members:
1. Will participate with other faculty colleagues in their respective academic disciplines in order to develop, revise and implement courses or programs as needed.
 2. Will maintain records for a minimum of three years.
 3. Will fulfill instructional obligations such as preparing for classes, grading papers, tests and other required student assignments.
 4. Will evaluate textbooks as necessary.
 5. Will maintain professional competence.
 6. Will participate in college-wide programs or initiatives designed collaboratively by the faculty and administration of the College for the purposes of identifying, assisting, and encouraging at-risk students to attain their educational goals.
 7. Will attend academic curriculum cluster meetings scheduled by the Cluster Chair or Administration with a minimum of five (5) business days' prior notice, unless the faculty member is on approved leave or has a verifiable appointment, assignment or

commitment which cannot be rescheduled by the faculty member without undue personal effort and/or personal expense.

8. Will attend all required, scheduled district-wide meetings, campus or division-wide meetings and those area meetings convened by an immediate Supervising Administrator or cluster chair pertaining to College matters, unless on approved leave or with authorization from his immediate Supervising Administrator. The Administration will utilize all reasonable communication efforts to provide the faculty member with sufficient notice prior to scheduled meetings. The Administration recognizes that regularly scheduled class assignments that may interfere with the faculty member's attendance may constitute authorized leave from attending such meetings. On designated in-service/administrative days, all full-time faculty members will engage solely in professional activities that are approved in advance by the Administration.
9. Will participate in College-approved committees, community groups, and professional organizations. This includes committees, assessments and activities determined to be necessary for the attainment of programmatic and regional accreditation.
10. Will periodically establish goals and provide self-assessments to the appropriate Supervising Administrator as part of their periodic evaluation process as provided in Article 9.
11. Will attend one graduation ceremony per year in regalia unless properly excused. The College will make arrangements to have proper regalia available upon request.

8.7—Other Terms and Conditions

- A. The Administration may utilize scheduling variations to meet the needs of students, which may include such variations between one-week courses, up to 16 week courses, or any similar scheduling variations in any term.
- B. The Administration may require an instructional faculty member assigned to a program involving affiliates or off-campus or division sites to work on a Board-approved holiday to meet the schedule established by the affiliate or other off-campus or division entity. However, the Administration will work with such affiliates and off-campus or division sites to schedule such

assignments on College workdays. The Administration will make every reasonable effort to schedule the faculty member's contractual days within consecutive weeks. However, a faculty member on a Basic Academic-Year Contract whose contractual days are so adjusted shall receive a period of at least eight (8) consecutive weeks each contractual year in which he is not on duty unless waived by the faculty member.

C. Faculty with a multi-campus or division assignment as part of their regular duties excluding overload assignments will be reimbursed for travel from one campus or division to another if necessary within the same work day. Faculty required to travel for other purposes will be reimbursed as provided in College Procedures.

D. It is understood that all College faculty, as a general rule, are to be required to provide assurances, on a regular basis, of fulfillment of employment responsibilities.

E. In order to ensure a collegiate experience for all students, administration will establish a mutually satisfactory balance between dual enrolled and non-dual enrolled students in a section as allowed by applicable Administrative Code.

8.8—Instructional Faculty-Load Point System

To facilitate calculation of various combinations of credit hours and contact hours in various classroom, laboratory, clinical, workshop, studio, and other settings, and courses taught as overload by library and counseling faculty, courses will be assigned point values. The source for course credit hour and contact hour equivalents is 6A-10.033 FAC (Postsecondary Credit Definitions). One (1) college credit is based on the learning expected from the equivalent of fifteen (15) fifty-minute periods of classroom instruction; with credits for such things as laboratory instruction, internships, and clinical experience based on the proportion of direct instruction to the laboratory exercise, internship hours, or clinical practice hours.

8.9—Course Definitions

All courses offered at the College will be designated as one of the following:

A. Lecture: A lecture course is one in which the number of class hours (50-minutes each) per week equals the semester hours credit for the course. A lecture class is one in which the student is a passive listener and/or a participant in activities/discussions conducted among other students and the instructor. The instructor actively controls the amount and quality of information which

is directed to a specific objective. A lecture class is typified by the amount of preparation preceding the lecture and by the amount of in-class and post-evaluation of the student's out-of-class work, which usually includes reading assignments, term papers and other assignments. A lecture course shall meet for fifteen (15) fifty (50) minute sessions per credit hour.

B. Laboratory: A laboratory course is one in which the contact hours per week do not equal the semester hour credit for the course. A laboratory experience involves preparation on the part of the instructor and/or laboratory assistant which organizes laboratory accoutrements in such a way that demonstrations, experiments, etc., have predictable outcomes. The laboratory experience takes place in a controlled environment with dependence on the student's motor involvement in the learning experience. Instruction generally takes place on a one-to-one basis between the student and the instructor at the laboratory station. Laboratory experiences may be scheduled for a class or be open to a student to work at his own pace under supervision. The ratio of credit hours to contact hours in a laboratory course varies but is usually more than one (1) contact hour per credit hour. Commonly denoted with an "L" designator.

C. Clinical: A clinical course may have lecture hours and/or clinical hours, and each will be credited with points respectively. The ratio of credit hours to contact hours in a clinical course varies but is usually several contact hours per credit hour. A clinical experience has unique characteristics which include:

1. The learning experience takes place in a "real life" environment that is generally located in an area not under the direct control of the College or its agents;
2. There is an element of uncertainty in the learning situation, in which discrete events are not pre-programmed;
3. There are different procedures for the instructor/staff preparation and for student evaluation in a clinical experience than in lectures and/or laboratory classes;
4. A faculty member in a clinical situation has on-site instructional/supervisory responsibilities for the student and evaluates the student by personal observation.

D. eLearning: eLearning is defined as a formal educational process in which the majority of the instruction (interaction between students and instructors and among students) in a course occurs when students and instructors are not in the same place. Instruction may be synchronous and/or asynchronous.

1. An eLearning course may employ audio, video or computer technologies within the approved online Learning Management System (LMS).
 2. The instructor actively controls the amount and quantity of information which is directed to a specific objective. An eLearning class is typified by the consistent interaction between the instructor and the student.
 3. An eLearning class is typified by the amount of preparation preceding the electronic communication and by the amount of the student's on-line assignments and post-evaluation of student's work, which may include but is not limited to reading assignments, term papers. This does not include the use of computers, e-mails or other electronic media as part of the instructional methodology for lecture, laboratory or clinical courses.
 4. eLearning sections may be considered as part of the faculty member's regular load.
 5. An eLearning section will have a minimum of 15 enrolled (unless otherwise approved for a lesser number by the Provost).
 6. An eLearning section will have a maximum of 30 enrolled, unless agreed to by the faculty member.
- E. Faculty of Record: In some clinical, practicum or cooperative education/work experience courses, the student's primary learning experience may be through work-related training. In such courses, the student's work activities are directed by a clinical/work supervisor. In such courses, a full-time faculty member develops performance-based modules and assigns grades based on the evaluation supplied by the clinical/worksite supervisors. A full-time faculty member supervises the students through coordination with the clinical or work supervisor and through scheduled visits to the clinic or work sites. If a course combines a clinical worksite and faculty-of-record responsibilities, the portion of the course devoted to clinical/worksite responsibilities will receive clinical/worksite points, and the remaining portion will receive faculty-of-record points.
- F. Applied Music Course: A student-performance-based music course in which there is only one-to-one interaction between the instructor and the student for the duration of at least one-half contact hour per week.
- G. Ensemble Music Course: A student-performance-based music course in which multiple students are instructed within a classroom or rehearsal environment.

- H. Workshop Course: A workshop course involves performance or practice taking place in a workshop, theatre, or studio environment.
- I. Independent Study Course: An independent study course is one that has a college course prefix and number, utilizes a delivery method designed for one-on-one instruction, is an Eastern Florida established course, and complies with that course's approved description and objectives.
- J. PSAV: Career credit is the type of credit assigned to courses or course equivalent learning that is part of an organized and specified program leading to a career certificate. It applies to postsecondary adult career courses. One (1) career credit is based on the learning expected from the equivalent of thirty (30) hours of instruction.
- K. Combination: A course which combines lecture with either laboratory or clinical activities section. Commonly denoted with a "C" designator.

8.10—Value by Major Function

- A. Once calculated, point values for each course shall be maintained in an approved repository.
- B. Calculation of load points will be completed as follows using the contact hours as stated on the official course plan:
- $\text{CONTACT HOURS} \div 16 \times 10 = \text{points}$ (16 denotes the length of all semesters, regardless of actual length)
1. Lecture, Laboratory, Clinical, Distance/eLearning, Ensemble Music: One (1) lecture contact hour per week [credit hour] = ten (10) points.
- EXAMPLES:**
- $48 \text{ Contact Hours} \div 16 \text{ Weeks} \times 10 \text{ Points} = 30 \text{ Load Points}$
- $80 \text{ Contact Hours} \div 16 \text{ Weeks} \times 10 \text{ Points} = 50 \text{ Load Points}$
2. Faculty of Record: One (1) faculty-of-record course credit hour = eight (8) points. However, the maximum number of points awarded for a faculty-of-record course will not exceed forty (40) points.

Faculty-of-Record (Courses with Clinical or Work Supervisors)			
Course Credit	Maximum Number of Contact Hour Per Week	Number of Points Per Contact Hour	Maximum Total Points Paid to Faculty
1	1	8	8
2	2	8	16
3	3	8	24
4	4	8	32
5	5	8	40

3. Applied Music: An applied music instruction course taught by a full-time faculty member will be compensated at the rate of 5 load-points for each half hour of applied music instruction, not to exceed 40 points per term. (These courses will be directly related to the number of enrolled students; calculation will be performed on a course-by-course basis).
4. Workshop Course: One (1) workshop contact hour per week = eight (8) points.
5. Independent Study Course: For independent study assignments, a faculty member shall receive the equivalent of two overload-points per student, up to a maximum of 15 students for a three credit course, after which the 30 point maximum will be applicable without regard to the number of students.
6. PSAV: One (1) lecture or laboratory contact hour per week = ten (10) points.

EXAMPLE: STS 0003 Introduction to Surgical Tech = 226 hours
 $226 \div 16 \times 10 = 141.25$ Load Points

7. Combination: If a course combines a lecture and laboratory section or a course combines a lecture and clinical section, points will be awarded on combined contact hours.

EXAMPLE: AERC 0006 Automotive Assistor 1 = 150 hours
 $150 \div 16 \times 10 = 93.75$ Load Points

8.11—Meeting Load-Point Obligations

An instructional faculty member on a Basic Academic-Year Contract (165-days) will fulfill his contractual obligation by earning 300 load-points or its equivalent within the academic year. While the expectation

is that a faculty member will teach 150 load-points in each of the Fall and Spring Terms to meet his obligation, the Administration shall consider a faculty member who has at least 144 load-points and not more than 154 load-points to have fulfilled his contractual obligation for the respective term. The Supervising Administrator, by mutual agreement with the faculty member, may elect to average the load-points over two or more semesters allowing less than 150 points in one term provided that the total for academic year is 300. Extra compensation for all overloads is also subject to the overload compensation requirements of Section 8.12 below.

Except as specified in above, an instructional faculty member on an Extended Year Contract must earn 150 load-points or its equivalent in each of the Fall and Spring Terms and a minimum of ten (10) points per week in the summer.

Banking Load Points

A faculty member on a Basic Academic Year Contract may bank up to 150 load points by mutual agreement with the Supervising Administrator.

- A. Must meet load point obligation for the contract period (Fall, Spring, Summer)
- B. Must defer compensation for banked points until they are spent
- C. Banked points may not be carried longer than four major academic semesters (Fall, Spring) or two years
- D. The faculty may choose to use the banked points for the following:
 - 1. to subsidize approved leave, as held in reserve as a payout
 - 2. exceptions may be made on a case-by-case basis in consultation with the Supervising Administrator.
- E. Faculty members wishing to bank points must complete the appropriate form.

8.12—Faculty Overloads

Any bargaining unit member who desires an overload teaching assignment shall submit a written request to the appropriate Supervising Administrator as applicable, with an informational copy to the Department Chair or Program Manager as appropriate, prior to the end of the spring term for the next academic year. The assignment of course and location will be determined by the Supervising

Administrator. If the need arises, the Administration may request overload hours to meet the needs of the College. Such requests by unit members will be fulfilled prior to making instructional assignments to adjunct faculty as provided below.

A. A faculty member who meets his load point obligation as outlined above may elect to teach overloads as provided by the Contract.

B. The faculty member will be compensated for overloads as provided in Article 14.

C. A faculty member on a Basic Academic-Year Contract who teaches 150 load-points in the Fall Term and 150 load-points in the Spring Term may request an overload in each of the respective terms.

1. If overloads are available within the discipline, a faculty member rated "Satisfactory" or better on his evaluation will be granted an overload of up to sixty (60) load-points by the Supervising Administrator.

2. Faculty members rated "Acceptable but needs some improvement" may be permitted to teach an overload; the decision as to whether they are eligible to teach an overload and, if eligible, the number of overload-points that can be taught are at the discretion of the Supervising Administrator. If such an overload is granted, the overload shall not exceed sixty (60) overload-points.

D. Overload assignments within a discipline shall be distributed equitably by the Supervising Administrator among faculty with a "Satisfactory" or better evaluation who request an overload. Faculty members with a "Satisfactory" or better rating will receive preference over those with an "Acceptable but needs some improvement" rating who are approved for an overload by his immediate supervisor. Any additional overload in excess of those set forth above will be at the discretion of the faculty member's Supervising Administrator. The faculty member will be allowed the opportunity to see available overloads. The time and location of the course will be determined by the Supervising Administrator.

1. A full-time faculty member rated satisfactory shall have priority for sixty (60) load-points over all part-time faculty members on all campuses or divisions for an overload assignment during the Fall and Spring Terms and 120 overload-points/adjunct during the Summer session, which will be compensated at the overload rate.

2. A full-time instructional faculty member with a “Satisfactory” or better evaluation shall have priority to teach an overload in his own credentialed discipline(s) over a full-time faculty member outside that discipline, which will be compensated at the overload rate.
 3. Additionally, a tenured full-time faculty member with a “Satisfactory” or better evaluation shall have priority for sixty (60) load-points over all non-tenured, full-time faculty on all campuses or divisions for an overload assignment during the Fall and Spring Terms and 120 overload-points/adjunct during the Summer session, which will be compensated at the overload rate. It is the requesting faculty member’s responsibility to make his preference known.
 4. All overloads and adjunct assignments taught will be covered by sick leave as specified in Article 12.
 5. Extended-Year contractual faculty members who are (1) rated “Satisfactory” and (2) those rated “Acceptable but needs some improvement” who are permitted by Supervising Administrators to teach overloads, will be compensated for all such overloads in the term in which they are taught at the overload rate.
- E. For instructional overloads, a librarian and a counselor will be subject to the same provisions for an overload assignment as instructional faculty members, including a “Satisfactory” rating by his Supervising Administrator. The library and counseling faculty shall be compensated for instructional overloads pursuant to Article 14 of this Agreement. Library and counseling faculty members will receive contracts for all teaching overload duties. If compensated for an overload, the individual remains responsible for those librarian/counselor duties as assigned by the Supervising Administrator.

8.13—Adjunct Instructional Assignments for Full-Time Faculty Members

A full-time faculty member who is completing or has completed his Basic Academic-Year contractual obligations prior to or during the Summer Term may also request to teach an adjunct teaching assignment within his discipline during the summer. To be eligible, the faculty member must be rated as set forth in Section 8.12, above. If the sections are available, a faculty member so rated, requesting an adjunct teaching assignment will be assigned up to 120 load-points at the established overload rate during the summer after all full-time faculty within the discipline have met their minimum contractual loads. If assigned, the following criteria shall apply to adjunct instructional duties:

- 1441 A. A full-time instructional faculty member rated “Satisfactory” or better will have priority for
1442 adjunct instructional duties of up to 120 load-points over part-time faculty at all campuses or
1443 divisions. It is the requesting faculty member’s responsibility to make his preference known.
- 1444 B. Faculty members rated “Acceptable but needs some improvement” may be permitted to teach
1445 overloads in the summer. The decisions as to whether they are eligible to teach an overload in
1446 the summer and, if eligible, the number of overload-points that can be taught are within the
1447 discretion of the immediate Supervising Administrator. If such an overload is granted, it will not
1448 exceed 60 overload-points.
- 1449 C. A faculty member may use accrued sick leave for an adjunct course(s). However, an adjunct
1450 assignment will not generate sick leave, except as provided for full-time faculty in Article 12.
- 1451 D. A faculty member who takes an approved leave without pay during an adjunct teaching
1452 assignment will have his adjunct salary reduced by that proportion of the instructional time
1453 missed. Such approved leave may be granted only if the faculty member has used all of his
1454 accrued sick/personal leave.
- 1455 E. A librarian or counselor will be subject to the same provisions for teaching adjunct load-points
1456 as an instructional faculty member.
- 1457 F. Compensation for adjunct load-points shall be at the established overload rate in accordance
1458 with Article 14 of this Agreement.
- 1459 G. A full-time faculty member teaching adjunct assignments will be available by appointment for
1460 student consultations one (1) hour per week for each 30 overload-points or major portion
1461 thereof.

1462 **8.14—Non-Instructional Assignment Agreement**

1463 **Auxiliary Assignment Agreement**

1464 Under extenuating circumstances, and by mutual agreement with the full-time faculty member,
1465 Administration may initiate a non-instructional assignment for a specified time and a clearly defined
1466 purpose on a daily rate basis. The College will announce the opportunity for auxiliary assignments (off-
1467 contract time) to eligible full-time faculty. Faculty are under no obligation to accept these assignments.

Release/Reassignment Agreement

Under extenuating circumstances, and by mutual agreement with the full-time faculty member, Administration may initiate release or reassignment for a specified time and a clearly defined purpose. When possible, the College will announce the opportunity for reassignment to eligible full-time faculty. Faculty are under no obligation to accept these assignments.

8.15—Faculty Members Accepting an Administrative Position

A tenured faculty member who accepts an administrative position serves in that position at the will of the College President. Nothing in this Section of this Contract grants any faculty member any rights to, or to continue in, any administrative position. If the faculty member has return rights to the faculty under this Section, the faculty member may be returned or may elect to return to faculty status as hereinafter set forth.

Re-entry of Tenured Faculty Currently in an Administrative Position

- A. Any tenured faculty member who is offered and accepts an administrative position will be placed on Administrative Leave, removed from the faculty salary line and placed on an administrative salary line. The tenured faculty member will retain the right to return to a faculty position under this paragraph until June 30 following four (4) full years on an administrative assignment. If the tenured faculty member who is on an administrative assignment does not elect to return to faculty status by giving written notice to the President of the College on or before February 15 immediately preceding the June 30 date set forth above, the faculty member will be determined to have voluntarily resigned as a faculty member and will therefore forfeit his tenure (continuing contract) status.
- B. Nothing contained in this Agreement grants a right of any future administrative assignment to any tenured faculty member who chooses to remain in administration by resigning his faculty position as set forth in this paragraph. The decision as to whether a tenured faculty member voluntarily returns to the faculty within the period provided under this paragraph and thereby retains his continuing contract status is at the sole discretion of the faculty member.
 1. Compensation for any tenured faculty member who returns from Administrative Leave under Paragraph A above will be paid at the rate on the Board-approved salary schedule

1496 which the faculty member would be receiving had the faculty member not been placed
1497 on Administrative Leave.

1498 **Re-entry of Non-tenured Faculty who Accept an Administrative Position**

1499 A. Any non-tenured faculty member who is offered and accepts a full-time administrative position
1500 at the College will be placed on Administrative Leave, removed from the faculty salary line, and
1501 placed on an administrative salary line. The tenure process shall be suspended for the duration
1502 of the Administrative Leave. The non-tenured faculty member may seek to re-enter the faculty
1503 under the conditions set forth below until June 30 following four (4) full years in an
1504 administrative position. The non-tenured faculty member must give written notice to the
1505 President of the College on or before February 15 immediately preceding the June 30 re-entry
1506 date of the desire to return to full-time faculty status. If the non-tenured faculty member fails to
1507 give the written notice of desire to re-enter the faculty on or before the February 15 deadline,
1508 the faculty member will be removed from eligibility for tenure and will be determined to have
1509 voluntarily resigned as a faculty member.

1510 B. Nothing contained in this Agreement grants any non-tenured faculty member a right to a future
1511 administrative assignment if the non-tenured faculty member does not return to faculty status
1512 under this paragraph, nor the guarantee of the offer of an annual contract or a continuing
1513 contract if the faculty member seeks to return to faculty status under this Section. The decision
1514 as to whether to seek to reenter faculty within the period provided under this paragraph is
1515 within the sole discretion of the faculty member, except as otherwise limited by this Article.

1516 1. Compensation for non-tenured faculty members re-entering the faculty under this
1517 Section will be at the rate on the Board-approved salary schedule which the faculty
1518 would be receiving had the faculty not been placed on Administrative Leave.

1519 2. For a non-tenured faculty member currently in a full-time administrative position to
1520 return to faculty status, the following conditions must be met:

1521 a. A new or vacant tenure track faculty position exists about which faculty have
1522 been properly notified as per Article 6; and

1523 b. No faculty member in the discipline will be subject to Reduction in Force (RIF) or
1524 awaiting recall as per Article 15.

C. If there is no open new or vacant full-time faculty position for which the faculty member is qualified, then the faculty member may be awarded a one-year temporary full-time faculty position, providing that the following conditions are met:

1. All credentialing requirements will be satisfied;
2. The transfer will not cause a RIF of any faculty member, nor will any faculty member be involuntarily reassigned to another discipline;
3. By the end of the temporary full-time appointment, the employee must apply for an open, advertised faculty position, as per Article 6. In addition, the individual will be evaluated by the Supervising Administrator. If the employee is recommended by the screening committee and accepts the position, a regular Basic Academic-Year faculty contract will be offered. The compensation granted will be in accordance with the salaries specified in Article 14.

D. Non-Faculty Re-assignments

1. An employee who has never been a faculty member may be given a one-year temporary full-time faculty position with required advertising, screening, and hiring procedures waived, providing the following conditions are met:

- a. A new or vacant tenure track faculty position exists about which faculty have been properly notified as per Article 6.14; and
- b. No faculty member in the discipline would be laid off or awaiting recall as per Article 15.

2. If there is no open new or vacant full-time faculty position for which the faculty member is qualified, then the faculty member may be given a one-year temporary full-time faculty position, with required advertising, screening, and hiring procedures waived, providing the following conditions are met:

- a. All credentialing requirements of the state and/or the regional accrediting agency will be satisfied;
- b. The transfer will not cause a RIF of any faculty member, nor will any faculty member be involuntarily reassigned to another discipline;
- c. By the end of the temporary full-time appointment, the faculty must apply for an open, advertised faculty position, as per Article 6. In addition, the individual will be evaluated by the Supervising Administrator. If the faculty is

recommended by the screening committee and accepts the position, a regular Basic Academic-Year faculty contract will be offered. The compensation granted will be in accordance with the entry salaries specified in Article 14.

- E. Nothing in this Section will limit the right of administration to assign administrative responsibilities to a full-time faculty member, nor will preclude the College President from placing a full-time faculty member on an Extended-Year Contract and/or approving release/reassignment time to the faculty member if applicable. For the duration of any such assignment by the College President, the full-time faculty member will retain faculty status and remain in the bargaining unit.

8.16—Department Chairpersons, Program Managers and Program Coordinators

Department chairpersons (DC), program managers (PM) and program coordinators (PC) are selected for three-year terms to commence at the end of the current terms. All scheduled positions will be opened and posted internally by the appropriate Supervising Administrator (or his designee), utilizing College communication media.

Positions will be opened and posted internally each spring by the appropriate Supervising Administrator utilizing College communication media and will remain open for a minimum of two weeks. Applicants' names will be posted for faculty feedback for a minimum of two weeks. The Supervising Administrator will select the successful candidate from the top three applicants. Faculty will be notified of the final decision by the first week of May. The Supervising Administrator has the option, for the first selection cycle, to choose by lottery, up to 50% of the positions to be two year terms. This option must be exercised in advance of the application process and posted to applicants.

The parties agree that DCs, PMs and PCs may serve for no more than two consecutive terms. If, after two successive terms, there are no other candidates the DC, PM or PC may serve additional terms with the majority consent of the full-time faculty and Supervising Administrator. If a new position opens or a chair is unable to complete his term of duty, the notification and application process will be followed by the Supervising Administrator (or his designee). The Supervising Administrator may remove a DC, PM or PC subsequent to two-thirds vote of no confidence by the full-time faculty served by the position or as provided in Article 17.

1585 The Supervising Administrator may choose to issue a temporary appointment, if necessary, pending the
1586 completion of the application/selection process.

1587 The Supervising Administrator will adhere to the recommended Department Chair, Program Manager,
1588 or Coordinator Responsibility Checklist (see Appendices U—Y).

1589 Qualified applicants will be chosen from within the specified department. If no qualified candidates are
1590 available, qualified individuals from other departments may apply for the position providing they meet
1591 the other qualifications for selection.

1592 **Department Chairperson**

- 1593 A. Adheres to the recommended Department Chair Responsibility List (see Appendix U).
- 1594 B. Department chairpersons neither have nor may exercise any supervisory responsibilities
1595 involving other full-time faculty.
- 1596 C. Department chairpersons neither have nor may exercise any responsibilities for reviewing the
1597 performance of full-time faculty members.
- 1598 D. Qualifications
 - 1599 1. Candidates should be tenured and have five years college-level teaching experience as
1600 of the application date for the position.
 - 1601 2. The Supervising Administrator (or his designee) will accept applications for the position
1602 from all interested and qualified full-time faculty members, whose primary assignment
1603 is within the department. In the event that no applicant meets this requirement, the
1604 search may be expanded to any tenured full-time faculty member who has taught at
1605 least ten (10) courses within the department within the previous five (5) years,
1606 excepting those who have reached Department Chair term limits as specified above.

1607 **Program Manager**

- 1608 A. Duties as defined in Appendix V
- 1609 B. Neither have nor may exercise any supervisory responsibilities over other full-time faculty.

1610 **Program Coordinator**

- 1611 A. Duties as defined in Appendix W
- 1612 B. Has no supervisory responsibilities for other full-time faculty.

8.17—College-Wide and Campus-Based Coordinators

Will be renewed each year as long as their program exists and compensated as indicated in Appendix E. Both parties agree that either party may make recommendations for additional positions to the College President. Position descriptions, responsibilities and selection criteria will be mutually agreed upon by the parties. Final approval of any new positions rests with the College President.

College-wide Coordinator

- A. Duties as defined in Appendix X
- B. Neither have nor may exercise any supervisory responsibilities involving other full-time faculty.
- C. Neither have nor may exercise any responsibilities for reviewing the performance of full-time faculty members.

Campus-Based Coordinator

- A. Duties as defined in Appendix Y
- B. Has no supervisory responsibilities for other faculty.

8.18—Cluster and Major Committee Chairs

Cluster Chairs will be elected by the full-time faculty in the cluster. Faculty chairing specific major faculty committees or subcommittees, created by the AAC, TPDC, or the College will be compensated according to the schedule in Appendix E or granted release/reassignment time, as outlined elsewhere in this Agreement. Major committees are: AAC, TPDC, Discipline Cluster, Curriculum Development, QEP, Faculty Mentoring, and Assessment Committee. Any changes or additions will be by mutual agreement.

8.19—Substitute Teaching

- A. Each instructional faculty member will arrange for one or more substitute instructor(s) from within the College faculty to be available on a temporary basis in the event the faculty member is absent for any reason. The Supervising Administrator must approve a faculty member's substitute list each term
- B. At the beginning of each term, each unit member who is assigned a teaching load will accomplish the necessary coordination with his or her colleagues, and will submit a list to the

Supervising Administrator with an information-only copy to the Department Chairperson showing a substitute instructor for each assigned section. It will be the responsibility of the unit member to notify the approved substitute instructor(s) and the Supervising Administrator regarding any absences, whether planned or unplanned, unless circumstances beyond the control of the unit member prevent him/her from providing such notice. In cases of unplanned absences on the part of a unit member, the Supervising Administrator may assist in the notification of substitute instructor(s).

C. Unit members who are asked to serve as substitutes in classes for which they are qualified will agree to provide such service provided that no conflict in class schedules occurs as a consequence of the substitution. The parties recognize that in some infrequent instances, if approved by the Supervising Administrator, special class work may be assigned to students during an instructor's absence, and that in such instances the services of a substitute instructor may not be required.

D. When an exchange of time is not practicable between qualified substitutes, the College will compensate the substitute faculty member for the temporary assignment in accordance with the agreed upon rate as specified in Article 14. If the faculty member teaches as a substitute in excess of two (2) consecutive weeks during the term, the administration will compensate the faculty member at the established instructional overload rate, as provided in Article 14.5. Time spent in serving as a paid substitute cannot be credited towards the 35 hour faculty work-week obligation of all full-time faculty members.

8.20—Working Conditions and Environment

Healthful Work Place

Recognizing the importance of a safe and healthful work place, the Board agrees to make reasonable efforts to ensure that such conditions conform to applicable statutes.

Student Behavior

The Board and EFSC's administration will support and assist faculty members in dealing with inappropriate student behavior, including assaults, batteries, or threats of bodily harm, but within the parameters of applicable laws and regulations.

- 1667 A. A faculty member shall immediately report to College Security and will within 24 hours follow-
1668 up with the campus or division administration any work-related incident that involves an assault
1669 upon his person, and/or the threat of bodily harm, while in the performance of College-assigned
1670 duties.
- 1671 B. Any faculty member who sustains an injury as a result of such incidents will not be required to
1672 utilize accumulated sick leave for absence from his College-assigned duties.
- 1673 C. This provision does not imply, however, that the Board or the administration of the College will
1674 provide legal counsel or otherwise defray or reimburse faculty members for expenses incurred
1675 in such instances.

1676 **Disruptive Student Behavior**

- 1677 A. A faculty member may temporarily dismiss a student from class for disruptive behavior.
- 1678 B. A faculty member may request to the Supervising Administrator that a student who consistently
1679 and willfully acts in such a manner as to disrupt the course and interfere with the teaching and
1680 learning processes will be removed from a course.
- 1681 1. At the faculty member's request, his Supervising Administrator or designee will schedule
1682 a meeting with the instructor and the student to attempt to reach an accord satisfactory
1683 to both parties prior to the student's return to the class.
- 1684 2. If the student and the faculty member cannot reach such an accord, the Supervising
1685 Administrator or designee will officially notify the student of his rights as provided in the
1686 pertinent procedures and rules published by the College.
- 1687 3. If, in the opinion of the College administration, the student's behavior violates the
1688 established Student Code of Conduct, the student may be withdrawn, or, at the
1689 discretion of the administration, may be transferred to another section taught by a
1690 different faculty member.

1691 **8.21—Duplication Facilities**

1692 The Administration shall provide regular access to duplication equipment and materials for work-related
1693 purposes associated with the faculty member's contractual duties. Duplication facilities and materials
1694 shall be available at each campus or division at no cost to faculty members. The Administration shall
1695 permit the faculty member to oversee the duplication of his examinations.

8.22—Grading System

Every faculty member will develop and provide notification to his students, through the required syllabus for each course, of the grading system which the faculty member intends to utilize to assess student performance in the course.

Grading Systems

- A. Must be consistent with the existing grading systems established by the College.
- B. Faculty are required to explain the course grading system to enrolled students on the first day of class.
- C. Faculty will present students with a syllabus and grading system by the first day of class.
 - 1. The only exception is a change in courses assigned to the faculty member with less than two weeks' notice.
- D. Any modifications to this grading system which the faculty member deems warranted must be distributed to the students in writing.
- E. A student's grade shall not be altered or changed without the approval of the faculty member who assigned the grade.

However, an evaluation of a faculty member may be completed more often at the request of the faculty member, or following a less-than-satisfactory evaluation.

B. The actual evaluation will consist of the following steps:

1. Formal Classroom Observations: The Supervising Administrator or designee per Article 9.1.B and E above, for each full-time faculty member in the department may conduct one or more classroom visitations each year. 1798 Self-Evaluation and Performance Review form and any addenda shall be signed by both

1812 Performance Review form, which shall indicate awareness of the contents of the
1813 faculty member's written response. The Administration shall take no action

1815 filing a grievance or complaint of a contract violation in the evaluation process.

1816 b. Appeal of an Evaluation: A faculty member who receives less than a
1817 “Satisfactory” evaluation and disagrees with the factual contents of the Faculty
1818 Self-Evaluation Performance Review form, or, who claims the Administrator
1819 failed to follow evaluation procedures, shall have the right to file a grievance as
1820 outlined in Article 16 of this Agreement. If the grievance relates to the factual

1823 C. Student Opinion Surveys: Students shall complete an online student opinion survey

1833 the way through the term.
- 1834 3. Students will be provided a secure Web-based interface in which to complete surveys
1835 anonymously and without replication. This interface will be accessible only to students
1836 enrolled in the course at the time of the survey. Faculty will have access to a report
1837 summarizing student responses and feedback for the selected course section(s).
- 1838 4. This questionnaire is to be utilized by the faculty member for improvements in his
1839 performance and in the course. The Supervising Administrator may elect to review and
1840 discuss recent student surveys with the faculty member. The Student Opinion Surveys
1841 will be available to the faculty member after grades are submitted, and no copies will be
1842 filed in the faculty member’s personnel file.

- 1843 5. Results of the student surveys may be used by the faculty member's Supervising
1844 Administrator in conducting and preparing the Instructional Faculty Self Evaluation and
1845 Performance Review (See Appendix K).

- 1846 D. Deficiencies: Where appropriate, the Administration will identify any deficiencies and provide

1858 based Coordinators shall be evaluated at least once during each term of service. They shall be
1859 evaluated annually by the full-time faculty in the department in their specific chair, manager, or
1860 coordinator role. The purpose of the review is to strengthen the department, assess
1861 performance and suggest new strategies for department development.

- 1862 1. The faculty will use the appropriate Faculty Peer Review Form (Appendix G) and will be
1863 focused on teamwork and collegiality.
1864 2. In those programs that have only one full-time faculty member, program adjunct faculty
1865 members and the other chairs and/or managers under the Supervising Administrator
1866 may perform the faculty evaluation portion using the same Faculty Peer Review Form
1867 (Appendix G).
1868 3. Supervising Administrator evaluations will be based on goal achievement, performance
1869 of duties and participation in department and campus or division meetings (Appendices
1870 H-J).

ARTICLE 10: PROFESSIONAL DEVELOPMENT

10.1—Intent

The parties recognize the desirability of faculty continuing professional development throughout their employment at the College. Minimum professional standards for the maintenance of continuing contract shall be negotiated through the collective bargaining process. The responsibility for meeting these standards rests solely with the individual faculty member.

10.2—Opportunities

The College agrees to sponsor programs, seminars, and courses that may earn graduate credit or institutional credit during in-service/administrative days and other times throughout the year. Faculty members may complete such College-sponsored development opportunities, undergraduate or graduate college-credit courses and/or programs, occupational and/or professional continuing education courses or programs, professional conferences, and community service, or any combination to satisfy professional development requirements as specified in this Article.

These categories are recommendations and are not all inclusive.

Faculty must complete one (1) of the following requirements:

- Six (6) graduate credit hours (any combination of graduate credit totaling six (6) hours)

2. Faculty who do not complete the elected development cycle may be returned to annual contract.

10.4—Non-Tenured Faculty Development

- A. Upon hire, a new faculty member must attend a College Pre-Employment orientation not to exceed two (2) days. When possible, this will be offered prior to the first in-service/administrative day of the academic term. Participation in this orientation is not counted towards the faculty development requirement below. If the new faculty member is unable to attend the scheduled orientation, the Supervising Administrator must work with the faculty member to provide the academic information covered at the orientation, and the faculty member must reschedule the human resources portion of the orientation.
- B. New faculty members on an annual contract must complete the Faculty Mentoring Program prior to award of tenure.

10.5—Expenditure of Funds

1992 whether the process and procedures were followed.

1994 faculty position and shall be subject to all other requirements and provisions imposed by law or

- B. Domestic violence leave may be used to:
 - 1. Seek an injunction for protection against domestic violence or an injunction for protection in case of repeat violence, dating violence, or sexual violence;
 - 2. Obtain medical care or mental health counseling, or both, for the faculty or a family or household member to address physical or psychological injuries resulting from the act of domestic violence;

With the exception of persons who have a child in common, the family or household members must be currently residing in or have in the past resided in the same single dwelling unit.
- D. Except in cases of imminent danger to the health or safety of the faculty member or family or household member, the faculty member should give as much advance notice as is possible, no later than the end of the first day that the faculty member takes such leave.
- E. All requests and documentation relating to domestic violence leave will be kept confidential and will not be included in the faculty member’s personnel file. The faculty member should contact the Human Resources Office for guidance and provide verification documentation which may include copies of restraining orders, police reports, orders to appear in court, etc.

12.6—Emergency Leave

- A. An emergency leave of absence requested by a faculty member may be charged to personal leave, or sick leave, depending upon the circumstance for the emergency. The length of the paid emergency leave will depend upon the faculty member’s specific leave accrual amounts.
- B. The College President or designee may release students and faculty for national or state mourning or for civil or natural disasters and emergencies, such as severe weather, which could threaten public safety.
1. This release time is not charged against a faculty member's leave time. The College President, or his designee, may establish policies and procedures to implement release of faculty for a College or Campus emergency.

12.7—Family Medical Leave Act (FMLA)

- A. The faculty member’s and the College’s and Board’s rights and obligations under the Family Medical Leave Act will be determined by statute, applicable regulations, and court

2213 interpretations under the Act except that the College may establish, through administrative
2214 procedure, benefits greater than those available under such statute, regulation, or court
2215 interpretation. In the event the Act requires a benefit greater than the benefits provided under
2216 this contract, the Act will apply. The administrative procedure applicable to faculty members will
2217 be the same as the procedure applicable to all other employees.

2218 **12.8—Line-of-Duty Leave**

- 2219 A. The College President or appropriate administrator may authorize faculty to be temporarily
2220 absent from regular duties and/or home campus or division for the purpose of representing the
2221 College or performing services for the College.

2227 Reemployment Rights Act (USERRA). However, the College may provide benefits greater than
2228 those required under the Act.
- 2229 B. Leave Accrual: Personal and sick days do not accrue, but the time served on active duty does
2230 count toward determining a faculty's earning rate upon return from active duty. Military leave
2231 does count toward time accrual for service awards.
- 2232 C. Full-time faculty members who enter active military service with approval to be reinstated at
2233 the College will be considered to be on Military Leave and the salary of a faculty returning from
2234 Military Leave will not reflect an absence from the College.
- 2235 D. If, due to medical or disability status, military-related use of FMLA is required, refer to the
2236 appropriate procedures.

2237 **12.10—Personal Leave with Pay**

2239 year for personal or emergency reasons. The Personal Leave balance that is reset for each full-

2241 and will not accumulate from year to year.

2242 B. Submission: Requests for personal leave by full-time faculty must be submitted for supervisor
2243 approval on the appropriate leave request form prior to the date of the requested leave. Except

2255 semester shall retain his same position on the same campus or division. When a faculty member
2256 is granted personal leave without pay, for more than one (1) semester, there is no guarantee
2257 that, upon termination of the leave, the faculty member will return to the same College location
2258 or position. Requests for personal leave without pay over 30 days must be approved either by
2259 the appropriate Vice President or by the College President.

2260 C. Leave Accrual: Extended personal leave without pay does not count toward accumulation of
2261 service time for FRS, service awards, or sick and personal leave accruals. It does count, however,
2262 toward time accrual for service awards.

2263 **12.12—Professional Leave with Pay**

2264 A. General Guidelines: Professional leave requests will be considered for a maximum of one year at
2265 a time when the requesting faculty member has had three years of continuous full-time
2266 satisfactory service at Eastern Florida State College. Professional leave (with or without pay) is

- 2276 D. When a faculty member is granted professional leave for up to one (1) year, the faculty member
2277 shall be returned to their same position on the same campus or division.
- 2278 E. The College President, or designee, may establish procedures for professional leave.
- 2279 F. Short-Term Professional Leave with Pay: Short-term professional leave with pay may be granted
2280 to faculty when such leave will enhance their educational effectiveness, improve College
2281 programs, or generally support the best interest of the College. Types of learning experiences
2282 which may be considered for approval under this program include attending colleges,
2283 universities, private and industry-related technological schools; participating in "on-the-job"
2284 training opportunities in government agencies or industry; or other academic research, course

2292 educational programs.
- 2293 1. Eligibility: Faculty with three continuous years of satisfactory, full-time service at the
2294 College are eligible for extended professional leave for a fall and/or spring term, for one
2295 year, or for up to two summer terms.

2297 to sign the Extended Professional Leave with Pay Agreement Form committing service to the
2298 College in a faculty or administrative position immediately following the end of the leave and for

a length of term equal to the leave granted, and stipulating that failure to honor the service commitment will result in the faculty member's liability to the College for the total (or a proportional) amount (salary and benefits cost) of the grant.

- I. Reimbursement Computation: Leave with pay may be granted for up to one year at not more than 66.6% of full pay, or for one semester or up to two summer terms at full pay. The Office of Human Resources will compute the amount of salary to be paid to any grantee.

12.13—Sick Leave

- A. Accrual of Hours: All full-time faculty members will accumulate sick leave at the rate of eight (8) hours per month (or major fraction of a month) of employment. There is no maximum number of unused sick days that a faculty member may accumulate. Accrual for sick leave does not change; it is always 8 hours per month regardless of the number of years worked at the College or other related institutions.

- B. Faculty on sick leave are required to stay in contact with their Supervising Administrator for weekly or daily status reporting, whichever is requested by the Supervisor. A full-time faculty member will be granted available sick leave from the College if unable to perform assigned duties due to:
1. Personal sickness or disability;
 2. Illness or death of any member of the faculty member's or spouse's immediate family, household, or other close relative (to include spouse, daughter, son, parents, sister, brother, grandparents, aunts, uncles). - C. Reinstatement of Sick Leave: Previous sick leave balances may be reinstated for faculty who return to employment with the College.

- D. Unused Sick Leave: Unused sick leave may not be transferred from one faculty member to another. Unless covered by another contract, full-time faculty may be eligible for payment of some or all unused sick leave as indicated in 12.16.B.

1. The College President, or designee, may establish procedures for sick leave use which shall be the same for faculty as for other employees.
2. The College President, or designee, shall establish policies and/or procedures for a faculty sick leave pool which shall be the same for faculty as for other employees.

12.14—Vacation Leave

Full-time faculty members normally do not earn vacation leave. However, a faculty member on administrative leave to accept an administrative contract shall earn vacation leave.

The College President, or his designee, shall establish policies and/or procedures for vacation leave which shall be the same for faculty as for other employees.

12.15—Workers' Compensation Leave

A. Eligibility: All College faculty are entitled to compensation for occupationally-incurred illnesses and injuries. Each faculty is entitled to a maximum of 12 days of workers' compensation leave at full pay per calendar year when an injury or illness is due to a job-related activity. These leave days are non-cumulative and will be granted at full pay, provided that:

1. The Office of Human Resources is notified of the situation within two business days after the injury or illness is sustained;

4 – 6	40%
7 – 9	45%
10	50%

31	As if 30 years of service

2356 C. If a unit member receives terminal pay benefits based on unused sick leave as specified in this
2357 article, all remaining accumulated sick leave shall become invalid.

2358 **12.17—Leave Usage**

2359 For the purpose of leave usage and calculation of terminal pay, a workday consists of eight (8) hours.
2360 When a daily schedule is provided with the faculty leave form, faculty will be charged actual time used
2361 for the first week. After seven days, the faculty member will be charged leave time based on a 35 hour
2362 work week.

ARTICLE 13: BENEFITS

B. The College will extend to unit members the same insurance, flexible benefits plan, and other medical plans that are made available to non-unit members at the same cost. The College President or his designee may establish policies and procedures regarding insurance options, dependent coverage, and retiree eligibility.

C. Recognizing the importance of a cooperative effort in the implementation and review of College insurance policies, the College agrees to continue the College-wide Insurance Committee. At least one-third (1/3) of the committee members (all members must be full-time college employees) will be members of the bargaining unit selected by UFF-Brevard. The committee will meet as often as necessary, but at least annually, to expeditiously carry out its duties.

13.3—Retirement

All employees in full-time faculty positions hold membership in one of the classes of the FRS and in the federal Social Security system. Those who are contemplating retirement should discuss their individual situations with the Human Resources staff approximately six months prior to their projected date of retirement. The Human Resources staff will provide faculty with the proper paperwork to process the request for retirement.

For either information or assistance in planning retirement, refer to the FRS website at www.myfrs.com. Social Security information on retirement can be found at the website for that office, www.ssa.gov.

The supervisor is responsible for reporting all details to the Human Resources Office within two working days. An Accident/Incident Report must be submitted for all accidents. The Security Office is not responsible for completing the report, but should be notified so the Security staff can offer assistance in handling the case. The report forms may be obtained from the Human Resources Office or Knowledge Tree.

C. The Accident/Incident Report (including a physician's statement describing the ailment and verifying the disability) is submitted to the Human Resources Office within two working days from the accident/injury or from the beginning of the work-related illness.

D. Each employee is entitled to a maximum of twelve (12) days of workers' compensation leave per calendar year when an injury or illness is due to a job-related activity. These leave days are noncumulative and will be granted at full pay. The employee will also be allowed to draw time

B. To calculate salaries for contracts in excess of the standard academic year:

2576 to annualize must be communicated to Payroll by the first week of the fall
2577 semester.
- 2578 c. The PM will receive his daily rate for each extra day worked beyond the number
2579 required by his base contract.
- 2580 d. A PM may teach overloads and receive payment for additional supplements
2581 subject to his supervisor's approval.
- 2582 e. A PM is eligible for compensation for developing and/or facilitating a workshop,
2583 contingent upon available funding.
- 2584 6. Program Coordinator (PC) compensation: The PC will be scheduled for a 35-hour work
2585 week.
- 2586 a. The PC will receive an annual supplement or equivalent reassignment as
2587 designated in Appendix E.
- 2588 b. The PC may opt to have their salary annualized over 26-27 pay periods. Option
2589 to annualize must be communicated to Payroll by the first week of the fall
2590 semester.
- 2591 c. A PC may teach overloads and receive payment for additional supplements
2592 subject to his supervisor's approval.
- 2593 d. A PC is eligible for compensation for developing and/or facilitating a workshop,
2594 contingent upon available funding.
- 2595 7. Unit members may be appointed as College-Wide or Campus Based Coordinators and
2596 will be compensated as identified in Appendix E.
- 2597 E. Auxiliary Assignments: A non-instructional assignment for full-time faculty for a specific time
2598 and a clearly defined purpose. In advance of the assignment, the College will define the
2599 assignment (terms and length) and announce the position to all eligible full-time faculty via
2600 established process outlined in Article 6. Faculty will be paid for these assignments at their daily
2601 rate of pay.
- 2602 Any paid leave approved by the College will not be considered a break in service and, therefore, will
2603 have no impact on curriculum coordinator and PC compensation levels.

By mutual agreement between the Coordinator and the Supervising Administrator, release/reassignment time may be granted in lieu of an annual stipend as noted in Appendix E.

14.7—ACADEMIC DISCIPLINE PEER AWARD (ADPA)

General Information

The parties agree to the benefits of providing recognition and rewards to faculty members whose performance is exemplary and outstanding. The parties agree to expand current non-monetary and supplemental monetary recognition programs to include enhancements to the base salaries of deserving unit members.

The Academic Discipline Peer Awards are designed to recognize excellence in Eastern Florida State College's full time faculty members in the designated Discipline Clusters. The number of awards in each cluster will be limited by the ADPA budget approved by the Board of Trustees. The awards are based on performance from the previous calendar year. No faculty member may be awarded more than one ADPA every two calendar years.

Selection Committee

ADPA will be recommended by a committee within each Discipline Cluster. All full time faculty members, regardless of instructional site assignment, will be included in one of the designated discipline clusters. A Supervising Administrator will be assigned to coordinate the activities of the selection committee. The Assigned Administrator will serve as the non-voting chair of the Discipline Cluster ADPA Committee and be responsible for organizing the committee and communicating the committee's recommendations to the College President, in accordance to the award timeline in this Article.

Each committee will consist of five (5) full time faculty members, selected by the faculty within each cluster. One representative from each discipline cluster will be chosen from each campus whenever possible. Each committee may recommend for ADPA up to ten (10) percent of the total number of eligible full time faculty members within the cluster. The number of actual awards will be rounded up to the next whole number.

Eligibility Requirements

All full time faculty members who have fulfilled the instructional duties and assignments for the previous full calendar year and have been rated “satisfactory” on their most recent Faculty Evaluation are eligible to apply for ADPA.

Discipline Cluster ADPA applications are available from the Assigned Administrator’s office and/or electronically.

- A. There shall be “Discipline Cluster” ADPA in the amount of \$1,250 each for up to 10% of the eligible faculty in a discipline cluster pending available funding. Discipline Clusters are defined by the AAC, except where noted below.
- B. The standards and procedures for the ADPA shall be defined by the discipline cluster.
- C. The ADPA process begins in October and ends in April of the following year. The assigned administrator will solicit faculty membership for a selection committee of five (5) full time faculty from within the Discipline Cluster.
 1. In the event more than five (5) full time faculty members wish to serve on a given committee, the assigned administrator will arrange for a Discipline Cluster vote to determine the final make-up of the selection committee.
 2. In the event that the Discipline Cluster is unable to identify five (5) faculty willing to serve, the assigned administrator may solicit volunteers from outside the discipline to serve.
 3. Clusters may be combined for the purposes of ADPA at the request of the Cluster Chairs or the UFF, for the sole purpose of fielding a 5-member committee to review application.
- D. The committee will establish and post criteria for each Discipline Cluster for at least 60 days. All application materials will be submitted by March 15. The selection committee will forward recommendation of the top ten percent through their Assigned Administrator to the College President’s office by March 31 of each year.
- E. In the event there are unclaimed awards, each discipline committee will forward names of other qualified applicants, up to an additional ten percent, rounded up to the nearest whole number, to the Vice President of Academic Affairs.

2658 1. Names will be forwarded to the TPDC by April 7.

2659 2. The TPDC will randomly select from qualified candidates to recommend recipients for
2660 unclaimed awards for that cycle.

2661 3. TPDC will forward recommendations through the Vice President of Academic Affairs by
2662 April 15 of each year.

2663 F. Faculty not recommended for ADPA will be informed, in writing, by the Assigned Administrator,
2664 by April 22.

2665 G. The Vice President of Academic Affairs will inform selected faculty of their ADPA by April 22 of
2666 each year.

2667 H. The College will publish the names of awardees after the recommendations are approved by the
2668 College President not later than April 30.

2669 **Procedure for Applying**

2670 The ADPA is for performance during the previous calendar year, and the Discipline Cluster application
2671 will reflect this timeframe. A faculty member may initiate his own Discipline Cluster ADPA application, or
2672 it may be initiated by a colleague, his Campus Provost or any other College Administrator. It is the
2673 responsibility of the person sending in the application to supply information he deems appropriate for
2674 the nominee. The nominee may review the application packet prior to submission, if said application
2675 was not initiated by the nominee.

2676 The Assigned Administrator is responsible for disseminating the submitted materials to the Discipline
2677 Cluster's ADPA selection committee. The ADPA committee recommendations of selected candidates
2678 shall be submitted by the deadlines established above. Upon request, the application materials will be
2679 returned to the faculty member at the conclusion of the process.

2680 Noncompliance with the application process may result in disqualification of the ADPA Application.

2681 **Guidelines/Criteria**

2682 Due to its often unique nature, each Discipline Cluster ADPA Committee has autonomy in the
2683 development of criteria guidelines used to determine ADPA recommendation, though it is suggested
2684 that the entire Discipline Cluster also have a voice in its development. Though criteria may be refined

2685 from year to year by a Discipline Cluster Committee, consistency should be maintained as often as
2686 possible.

2687 Discipline Cluster award criteria in each instructional area should include emphasis on evidence within
2688 one's instructional teaching mission. The Committee may consider any of the following areas of
2689 performance as possible justification for ADPA recommendation:

- 2690 A. Outstanding teaching/instructional performance
- 2691 B. Outstanding contributions to a discipline
- 2692 C. Outstanding contributions to the College, division, or department
- 2693 D. Outstanding contributions to the community, as related to the College's mission
- 2694 E. Other accomplishments deemed appropriate by the Discipline Cluster ADPA Committee

2695 Any activity that goes beyond the faculty member's normal scope of responsibility, or that is within the
2696 normal scope of responsibility but is performed at an outstanding level, is an activity that is potentially
2697 meritorious. The decision as to whether or not such an activity actually is meritorious is a subjective one
2698 that is made individually by each of the five (5) voting committee members, who must consider whether
2699 it can be tied to the College's mission.

2700 It is recommended that each Discipline Cluster ADPA Committee, when establishing and/or revising
2701 guidelines/criteria, limit an application packet to ten (10) pages of narrative, including documents
2702 providing evidence of excellence.

2703 Failure to be recommended and/or selected for ADPA is NOT subject to the grievance process.

2704 **14.6—Promotion in Rank (Title)**

2705 A faculty member who meets the requirements for a promotion in rank (title) as provided in Article 11.4
2706 based upon either an increase in years of service or additional education shall receive a one-time
2707 stipend of \$1,000.00.

14.7—Grant Awards

Nothing contained herein shall prevent employees from pursuing and accepting external grant funding. Grand funded activities will be performed outside of contractual obligations.

14.8—Professional Learning Activities Support

A. The College and the Union recognize that continuing professional development of individual faculty serves and strengthens the College, therefore, the College agrees to dedicate \$50,000 to support non-tuition professional learning activities for individual faculty members.

1. Faculty must be approved by TPDC before expenses may be reimbursed under this fund.

Funds may not be dispersed from this fund without TPDC consent.

2. College shall notify the UFF of unallocated funds.

B. The above individual allotments for non-tuition activities may be supplemented with additional divisional, department, student activity fees, Foundation or other College funds as available and appropriate.

C. When a faculty member is required by the College to attend a workshop, seminar, chaperone club travel, etc., the College shall be responsible for all approved costs associated with such activities.

14.9—Salary Inversion

The parties agree to mutually review and address salary inversion issues among the full-time faculty members on a regular basis.

ARTICLE 15: LAYOFF AND RECALL

15.1—Layoff

- A. Prior to any general reduction of the number (layoff) of faculty in the bargaining unit arising out of economic or operational considerations, the reduction shall be subject to discussion between the UFF-Brevard and the College. The College will notify the UFF-Brevard not less than six (6) months prior to anticipated layoff dates. During the period following the notice to the UFF-Brevard of the intent to reduce force, the College agrees to meet at reasonable times and places for such discussion. The notice period may be reduced in the case of unusual or unforeseen circumstances giving rise to a reduction in force and making the above notice not feasible.
- B. Based on the nature of the cause for reduction, the College will determine the number and types of faculty positions to be reduced.
- C. Once the number and types of positions to be reduced is determined, the College may transfer faculty between campuses to avoid releasing faculty from employment.
- D. No continuing contract faculty member shall be released until all annual contract faculty serving in the discipline, or any discipline in which tenured faculty are credentialed and qualified to teach, have been considered for release from employment. The decision of the College about which faculty members to release shall not be subject to public hearings under Florida Statutes.
- E. All unit members credentialed and qualified to teach within an affected academic discipline or vocational/technical program will be assigned reduction in force (RIF) points for use only within that academic discipline or vocational/technical program to assist in selecting the unit member(s) to be released from employment. The point total accrued by each member will be considered by the College in making its selection, with the unit member with the lowest point total being the most vulnerable to release. Should the College select a unit member for release who has a higher point total than that of a unit member in the same discipline or program who is not being released, the College will state reasons for its selection in writing furnished to the released unit member and the UFF-Brevard.
 - 1. A faculty member selected for release due to reduction in force will be given at least 120 days' notice prior to the effective date of release.
 - 2. RIF points will be assigned as follows:

- 2756 a. holding continuing contract: 3 points total
- 2757 b. each year of full-time employment as faculty in the affected academic discipline
- 2758 or vocational/technical program: ½ point up to maximum of 10 points
- 2759 c. completion of requirements for maintaining continuing contract (Article 11); 1
- 2760 point for each 3-year period
- 2761 d. academic preparation:
- | | | |
|------|---------------------------------|----------|
| 2762 | Doctorate | 6 points |
| 2763 | Master's +60 | 5 points |
| 2764 | Master's +30 or terminal degree | 4 points |
| 2765 | Master's | 3 points |
| 2766 | Bachelor's or equivalent | 2 point |
| 2767 | Less than Bachelor's | 1 point |
- 2768
- 2769 e. the last two (2) performance evaluations: one (1) point for each satisfactory
- 2770 evaluation, zero (0) points for each unsatisfactory evaluation.
- 2771 F. This Article is not deemed to be in conflict with applicable laws or regulations.

2772 **15.2—Recall**

2773 Unit members who are released from employment under this Article will for a period of 24 months from

2774 the date of release be granted recall preference for reemployment with the College in lieu of a new hire,

2775 subject to the following conditions:

- 2776 A. Recall consideration will apply to any opening in the academic discipline or vocational/technical
- 2777 program for which the unit member is credentialed and qualified to teach.
- 2778 B. The College shall send email notification of all openings to all unit members subject to recall
- 2779 consideration for a period not less than twenty-four (24) months from the date of layoff.
- 2780 However, it is the responsibility of the unit member to make timely application for any position
- 2781 opening and to ensure that the College is made aware of the member's recall eligibility.
- 2782 C. If more than one unit member applies for an opening recall, consideration will be based on the
- 2783 RIF points used to make the release, with the member with the highest point total being given
- 2784 preference for selection. Should the College select a unit member other than the one with the
- 2785 highest point total, the College will state the reasons for the selection in writing furnished to the
- 2786 non-selected unit member and UFF-Brevard.

- 2787 D. Unit members who refuse to accept an offer for recall under this section will not be eligible for
2788 further consideration under this section.

ARTICLE 16: GRIEVANCE and ARBITRATION

16.1—Grievances

The parties agree that prompt and just settlement of grievances is of mutual concern and interest and encourage the informal resolution of grievances whenever possible. The purpose of this procedure is to promote prompt and efficient resolution of grievances at the point of origin. In order to achieve this, the Union and the Administration shall make available to one another all known relevant facts so as to enable the parties to resolve grievances and maintain harmony within the College environment. This procedure shall be the sole and exclusive method for resolving grievances.

A. Definitions as used herein:

1. A “grievance” shall mean a dispute filed on the appropriate grievance form (Appendix C) concerning the interpretation or application of a specific term or provision of the Collective Bargaining Agreement, subject to those exclusions appearing in other articles of the agreement. Oral complaints are not grievances; however, any claim by a faculty, group of faculty, or the UFF/Brevard that there has been a violation, misinterpretation, or misapplication of some specific provision of this agreement, policy, procedure, or handbook which has been incorporated into this agreement by reference, may bring oral complaints or suggestions relating to such provision to the attention of the College for discussion on an informational basis.
2. “Grievant” shall mean a member of the bargaining unit, or group of members of the bargaining unit, or the UFF Chapter itself, who has/have filed a grievance in a dispute over a provision of the Collective Bargaining Agreement, policy, procedure, or handbook incorporated into this agreement by reference.
3. “Representative” or “Grievance Representative” shall mean an individual designated in writing by the grievant to represent, and act for and/or on behalf of, the grievant throughout the grievance procedure.
 - a. The representative shall have the authority to file the grievance, submit documents, speak for the grievant, and communicate with the administration on behalf of the grievant.

- 2817 b. The grievant may change the designated representative upon written notice to
2818 the administration and to the UFF-Brevard.
- 2819 B. UFF-Brevard shall have the right to file and pursue grievances on behalf of individual faculty who
2820 personally sign the grievance document or who provide written authorization for UFF-Brevard
2821 to represent them in such proceedings. UFF-Brevard shall also have the right to file and pursue
2822 grievances on behalf of itself as grievant. In the case of UFF-Brevard grievances on behalf of
2823 itself, Steps I and II in section G of this article shall be combined into a single step and the
2824 grievance document shall be initially filed at Step 2 within the prescribed time limit (21 college
2825 business days). All other requirements of this article shall be in force. There shall be no
2826 combining of UFF-Brevard grievances and faculty grievances in a single grievance document.
- 2827 C. Where several faculty members have essentially the same grievance, the parties may
2828 consolidate the grievances. When consolidated one grievance form shall be presented bearing
2829 the signatures of each of the individual grievants. Such a grievance shall otherwise be processed
2830 as any individual grievance would with the exception that there are multiple grievants.
- 2831 D. Where a group of faculty members may be defined by common interests, duties, or
2832 responsibilities, the Union may file one grievance on behalf of the entire class. The Union shall
2833 be considered the grievant in such a "class action" grievance.
- 2834 1. A class action grievance will:
- 2835 a. Identify the class uniquely and with particularity,
2836 b. Identify the specific nature of the grievance of the class,
2837 c. Contain a complete statement of the grievance and facts upon which it is based,
2838 d. Contain a specific statement regarding the remedy or correction requested, and
2839 e. Identify the section or sections of the Agreement alleged to have been violated,
2840 f. Contain two or more names of the aggrieved faculty.
- 2841 2. Where a "class action" grievance alleges violations outside one department or unit, the
2842 grievance may be filed directly at Step II.
- 2843 E. The right of the individual faculty member to present and pursue grievances under this Article,
2844 without representation by the UFF-Brevard, is preserved inviolate, subject only to such
2845 limitations as may be contained in Florida Statutes. UFF-Brevard has the right to observe, but
2846 not to participate in, such proceedings. However, nothing in this section shall prevent the UFF-
2847 Brevard from providing input into the process as necessary to assure that the provisions of this

2848 agreement are followed. The UFF-Brevard will be notified in advance of such occurrences with
2849 notification given to the UFF-Brevard President and grievance chair, if any, within twenty-four
2850 (24) hours of the filing of such a grievance.

2851 F. The time limits set forth in this article are of the essence and must be strictly complied with
2852 unless extended by mutual agreement of the parties. A grievant's failure to comply shall mean
2853 that the grievance stands abandoned. The College's failure to answer a grievance within the
2854 time provided shall mean that the grievance is denied. In order to be eligible for processing, a
2855 grievance must be timely filed and contain the following:

- 2856 1. The name of the grievant, whether faculty or UFF-Brevard.
- 2857 2. The date on which the event giving rise to the grievance occurred, or the omission giving
2858 rise to the grievance occurred.
- 2859 3. A detailed statement of the facts as to the claimed event or omission.
- 2860 4. Citation of the particular sections of this Agreement (not articles alone) that the grievant
2861 relies on. General citations will not satisfy this requirement and the grievant shall not
2862 add new citations after the grievance is filed.

2863 G. A statement of the precise relief sought, which will stand as the outer limit or maximum as to
2864 possible relief that can be sought.

2865 H. Grievances, properly and timely filed, shall be processed in accordance with the following
2866 procedure. Time limitations specified herein may be extended by agreement of both parties. A
2867 grievance filed on behalf of the Union shall be filed within the twenty-one (21) business days as
2868 above, but may be filed directly at the Step II level.

- 2869 1. Step I: Request for Informal Resolution. The parties shall first attempt an informal
2870 resolution of grievances.

- 2871 a. An eligible grievant shall notify his immediate supervisor in writing, which may
2872 be by e-mail, of his grievance and request for an informal resolution. Such
2873 notification shall occur within twenty-one (21) business days as set out in the
2874 College Calendar of the occurrence of the event or omission giving rise to the
2875 grievance, or within twenty-one (21) business days as set out in the College
2876 Calendar of the date when the grievant knew or, in the exercise of reasonable
2877 diligence, should have become aware of such event or omission, whichever is
2878 later.

b. Within ten (10) business days as set out in the College Calendar of the receipt of the grievance, the immediate Supervising Administrator shall meet with the grievant in an effort to resolve the problem.

c. The immediate supervisor will be allowed ten (10) business days as set out in the College Calendar following the meeting to respond to the grievance in writing. This written answer will consist of a notation on the grievance document and/or a formal statement.

2. Step II: Formal Grievance. If the attempt at an informal resolution does not result in a resolution acceptable to the grievant, the grievant may file the formal grievance document with the appropriate Provost or Vice President, as applicable, at Step II.

a. The document must be filed within ten (10) business days as set out in the College Calendar of the receipt of the written answer from the immediate supervisor or within ten (10) business days as set out in the College Calendar after the expiration of the ten (10) day period specified in Step I.

b. Once any grievance document has been properly filed with the Provost or the Vice President, the Provost or the Vice President shall have fifteen (15) business days as set out in the College Calendar in which to provide a written response to the grievant. The written response may consist of a notation on the grievance document and/or a formal letter of notification.

c. Either the Supervising Administrator or the Vice President, as applicable, or the grievant, may request a meeting to discuss the grievance. If the grievant desires a meeting, he should request it when the grievance document is filed. If such a meeting is held, it should be held within the fifteen (15) day period.

3. Step III. If the disposition of the grievance is unacceptable to the grievant at Step II, the grievant may appeal the Step II decision grievance document with the College President or an individual designated by him to hear grievances at Step III.

a. The decision must be appealed within ten (10) business days as set out in the College Calendar after the receipt of the written answer from the Provost or the Vice President, or within ten (10) business days as set out in the College Calendar after the expiration of the fifteen (15) day period applicable to Step II.

- b. The grievant may also request a meeting with the College President or his designee to discuss the grievance. Such a meeting will be scheduled within fifteen (15) business days from the receipt of the grievance at Step III.
- c. The President or his designee will be allowed fifteen (15) business days after the receipt of the grievance at Step III to provide a written disposition of the grievance.

16.2—Arbitration

- A. Only those grievances that have been processed through the grievance procedure in strict compliance with all of its requirements may be taken to arbitration. If the grievant is not satisfied with the disposition of the grievance at Step III or within the fifteen (15) business day period applicable to Step III, the grievance may be submitted to arbitration. The arbitration process shall be initiated by filing a written request for arbitration with the Associate Vice President of Human Resources within twenty (20) business days as set out in the College Calendar after receipt of written disposition at Step III or within twenty (20) business days as set out in the College Calendar after the expiration of the Step III fifteen (15) day period. A copy of the grievance document must be attached to the request.
1. After a written request for arbitration is properly and timely filed, the grievant and the College, by any representative it may choose, will meet at a mutually convenient time or confer by telephone in an effort to mutually agree on an arbitrator.
 2. If an arbitrator cannot be agreed upon, the Federal Mediation and Conciliation Service (FMCS) will be asked to supply a list of seven (7) names from which the parties will alternately strike names until only one remains. The one remaining shall be the arbitrator.
 3. Each party shall have the right to reject one list of arbitrators in its entirety, and any subsequent list containing any of the same names.
 4. No arbitrator shall have at any time before him more than one grievance involving this Agreement without the mutual consent of the College and the Union.
 5. Arbitrability: Issues of arbitrability shall be bifurcated from the substantive issue(s) and, whenever possible, determined by means of a hearing conducted by conference call. The arbitrator shall have ten (10) business days from the hearing to render a decision on

2939 arbitrability. If the issue is judged to be arbitrable, an arbitrator shall then be selected to
2940 hear the substantive issue(s). By mutual consent of the College and the Union, the same
2941 arbitrator may preside over both the issue of arbitrability and the substantive issue(s).

2942 B. The identified arbitrator will be notified by FMCS. The arbitration will then proceed in
2943 accordance with the reasonable orders and requests of the arbitrator, but subject to the
2944 following conditions:

- 2945 1. Venue: The arbitrator shall hold the hearing in Brevard County, Florida, unless otherwise
2946 agreed to by the parties. The hearing shall be scheduled as soon as is practicable.
- 2947 2. Authority of the Arbitrator: The arbitrator shall not have the power to add to, subtract
2948 from, modify, or alter the terms of this agreement. Decisions must be explained upon
2949 the request of either party. The arbitrator's decision shall be confined solely to the
2950 application and/or interpretation of this Collective Bargaining Agreement and its
2951 referenced documents and the precise issue(s) submitted for arbitration. The arbitrator
2952 shall refrain from issuing any statements of opinion or conclusions not essential to the
2953 determination of the issues submitted.
- 2954 3. The parties shall have a right to a reasonable time for briefing the case, upon request,
2955 and a decision shall be due within thirty (30) days after the date set for filing briefs.
- 2956 4. Where an administrator has made a judgment involving the exercise of discretion, such
2957 as decisions regarding tenure or promotion, the arbitrator shall not substitute the
2958 arbitrator's judgment for that of the administrator. Nor shall the arbitrator review such
2959 decision except for the purpose of determining whether the decision has violated the
2960 Collective Bargaining Agreement. If the arbitrator determines that the Collective
2961 Bargaining Agreement has been violated, the arbitrator shall direct the College to take
2962 appropriate action.
- 2963 5. Fees and Expenses: All fees and expenses of the arbitrator shall be divided equally
2964 between the parties. Each party shall bear the cost of preparing and presenting its own
2965 case. Costs of reports and transcripts (which shall be made available at the request of
2966 either party) shall be borne by the requesting party. Cost of meeting rooms, etc., shall
2967 be divided equally between the parties.
- 2968 6. Effect of Decision: The decision or award of the arbitrator shall be final and binding
2969 upon the College, the UFF, and the grievant, provided that either party may appeal to an

2970 appropriate court of law a decision that was rendered by the arbitrator acting outside of
2971 or beyond the arbitrator's jurisdiction, pursuant to Section 682.13, Florida Statutes.

2972 7. The arbitrator shall be empowered to make reasonable orders so that the matter can be
2973 expeditiously resolved, but shall accommodate the parties within reason as to hearing
2974 dates and continuances where need is shown.

2975 8. Retroactivity: An arbitrator's award may or may not be retroactive as the equities of
2976 each case may demand, but in no case shall an award be retroactive to a date earlier
2977 than thirty (30) days prior to the date the grievance was initially filed.

2978 C. If a tenured faculty member is suspended, returned to annual contract, or terminated, the
2979 faculty member may choose to proceed to arbitration or to appeal the decision under the State
2980 Board of Education Rules. The election of that procedure will be deemed an election of
2981 remedies and a permanent waiver of the right to appeal the suspension, return to annual
2982 contract or termination under this Article. If the tenured faculty member chooses to process the
2983 issue of suspension, return to annual contract or termination under Step A.5 of this Article, the
2984 faculty tenured faculty member's choice will be considered an election of remedies and an
2985 appeal cannot be processed under the Florida Administrative Code and Florida Statute Section
2986 120.

ARTICLE 17: DISCIPLINARY ACTIONS and PROCEDURES

17.1—Disciplinary Actions

- A. Except as provided in applicable statutes or State Board of Education Rules, discipline of any type shall be based only on a faculty member's duties and responsibilities to the College.
- B. All faculty members are subject to discipline which shall be timely and for just cause. Disciplinary action shall include the following steps of progressive discipline: oral/written warning, reprimand, suspension with or without pay, return to annual contract, and dismissal. If the circumstances warrant, discipline may begin at a higher level than the first step or progress to a higher level than the next sequential step. Other unrelated actions subject to discipline are separate events and disciplinary action will begin at the appropriate level subject to overall work performance.
- C. All discipline, as defined herein, is subject to challenge by the grievance procedure in Article 16 of this Agreement. Anonymous complaints shall not be used as evidence in support of disciplinary actions(s). Time frames given shall be in business days.

17.2—Disciplinary Procedure

- A. Discipline shall begin at and proceed to the level of discipline appropriate to the action(s) under consideration. Normally, discipline will progress through the steps established below.
 - 1. Oral/Written Warning: A warning notifies a faculty member that work-related performance is below standards established by written policies or common professional practice and that more serious disciplinary action will take place if these standards are not achieved within reasonable time frames. A warning may be oral or written at the discretion of the supervisor and shall be reviewed with the faculty member. The faculty member shall have the opportunity to provide a written response to a written warning which shall be filed together.
 - 2. Reprimand: If necessary, a written reprimand would be the next step for continued below-standard performance. Reprimands shall be discussed with the faculty member in person. Documentation of each step in the disciplinary process shall be made by the initiating administrator and acknowledged by the faculty member in accordance with

Appendix P of this contract. The faculty member shall have the opportunity to provide a written response to the reprimand which shall be filed with the reprimand.

3. Suspension: A full-time faculty member may be suspended with pay pending investigation of a possible infraction. If, after investigation, just cause for disciplinary action is determined, upon recommendation of the College President, the Board may suspend a faculty member without pay provided that notice of intent has been provided pursuant to this Article.

4. Termination or Return to Annual Contract. Any faculty member who is tenured (under continuing contract) may be dismissed or may be returned to annual contract status for up to another three (3) years only with just cause and when a written recommendation to that effect is submitted by the College President to the Board giving sufficient just cause therefore, by the College President and provided the College President's recommendation is approved by the Board.

B. Notice of Intent: When the College President or representative has reason to believe that a suspension, termination, or return to annual contract should be imposed, the College President or representative shall provide the faculty member with a written notice of the proposed action and the reasons therefore.

1. Such notice shall be sent certified mail, return receipt requested, or delivered in person with written documentation of receipt obtained.

2. The faculty member shall be given ten (10) business days in which to respond in writing to the College President or representative before the proposed action is taken. The President or representative then may issue a notice of disciplinary action under Article 17.2, D below.

3. The faculty member has a right to union representation during investigatory questioning that may reasonably be expected to result in disciplinary action.

4. If the College President or representative does not issue a notice of disciplinary action, the notice of intent shall be retained only in the faculty's evaluation file.

C. In the event a suspension, termination, or return to annual contract is recommended, the faculty member shall have the right to an informal hearing before the Board, or its designee, prior to the action.

- 3045 D. Notice of Discipline: All notices of disciplinary action shall include a statement of the reasons
3046 therefore and a statement advising the faculty member that the action is subject to Article 16 –
3047 Grievance and Arbitration of this agreement. All such notices shall be sent certified mail, return
3048 receipt requested, or delivered in person to the faculty with written documentation of receipt
3049 obtained.
- 3050 E. Nothing in this Article shall be deemed to give any faculty member not on continuing contract
3051 status any property interest in his or her employment.
- 3052 F. During all disciplinary proceedings, a faculty member shall have the right to consult with, and be
3053 represented by, a representative of his or her choice.
- 3054 G. The faculty member shall have the right to respond to disciplinary action in writing and have
3055 that response attached to the report of discipline. If any material is found, through mutual
3056 agreement, grievance process, or court proceeding, to be inaccurate or inappropriate, that
3057 finding shall be documented in the official personnel file of the faculty member and the
3058 inaccurate or inappropriate material shall be placed in the personnel file in a sealed envelope.
3059 The sealed material shall not be subject to examination or review except by written agreement
3060 between the faculty member and the College President, as part of a related formal grievance
3061 procedure, or as required by law.
